About Our Company

Safe Funds Earners , champions the production of solar power and energy, electronical appliances, and real estate management. The holdings significantly affect positively, to New Zealand gross domestic products (GDP).

We build trust and solve important problems

At Safe Funds Earners, we've identified that our overall purpose as an organisation is to build trust in society and solve important problems. This approach informs every aspect of our work and underpins the relationships we build with our clients. Just one of the ways we demonstrate this is through our Corporate Responsibility efforts. All of our projects are designed to use the skills and experience of our people to make the greatest difference possible. That is why we are focusing our diversity efforts on gender and ethnicity. We've made a number of key local and international partnerships, with organisations and company around the globe.

Global expenditure on construction activities was about \$ 350 million in 2012. Today, expenditure on the construction industry exceeds \$ 25 billion a year, equivalent to about 13 percent of global GDP.

Why should you save & invest with us?

How We Work

Outstanding team

Safe Funds Earners is a tightly knit group working together with management teams toward common goals. We have more than 70 investment professionals, including 24 partners with an average tenure at Affinity Global Limited of more than a decade. This allows us to devote substantial time to the companies in which we invest.

Collaborative style

Our objective is to work with portfolio company leadership and create a backdrop in which companies can thrive. We encourage management teams to invest alongside us, and our forward-thinking approach and philosophy to leave companies better than when we found them also means that portfolio company employees often choose to invest alongside Affinity Global Limited as well.

Alignment of interest

We believe that people thrive when they are working toward a common and focused goal. We are proud of our transparency and alignment of interest with our portfolio companies and investors. We believe our focus and significant skin in the game allows us to build true, successful partnerships.

Active Management Across Asset Classes

Safe Funds Earners offers regional and global high-active-share equities, fixed income across the yield curve, liquidity solutions backed by four decades of experience as a core capability and, in private markets, real estate, infrastructure, private equity and private debt. Beyond investment management, Affinity Global Limited provides engagement in equity and bond markets, proxy voting and policy advocacy.

SAFE FUNDS EARNERS
